MINERS GET AN INCREASE

Board of Arbitration Makes its Award.

A SLIDING WAGE SCALE

Men Shall Be Paid Semi-Monthly-The Checks Shall Not Be Transferable. Boys Under Fourteen Can

Not Work

(By Associated Press.).

AIRMINGHAM, ALA., August 22.—The board of arbitration appointed to adjust matters in controversy between coal operators and miners in the Birmingham district, made its award through its chairman, Judge Gray, of Deleware, at a late hour to-night. After rectting the claims made by the miners and operators, respectively, the report, about 1,400 words in length, makes the following awards:

Minimum and maximum rate of the sliding scale; the rates per ton for mining coal on the Pratt basis vary according to the selling, price of pig Iran, 47 1-2 cents, when pig Iron is selling at \$8 per ton, to 57 1-2 cents when Iron is selling at \$11,50 per ton.

The same proportionate increase is to be given on day wages for work in and about the mines, but no increase is given by this award for narrow work.

PAY-DAYS.

A semi-monthly payment of wages.

Frem and after October 1, the carnings of miners and wages of day menshall be paid semi-monthly, and such commissary checks or credits as the operators may issue to their employes shall not be transferable, but shall be redeemable in goods at the respective commissaries upon which they are drawn only when presented by the employes to whom they have been issued or by some member of their families.

Hates for marrow work.

The total of the maximum price—on the Pratt basis—to be paid coverses shall be

ber of their families.
Rates for narrow work.
The total of the maximum price—on the Pratt basis—to be paid for work in headings, exclusive of air courses, shall be \$2.71 per yard in lieu of \$2.84 per yard, the present rate; rates for work in air courses to remain on the present basis.
On the subject of differential between machine and pick mining, the board makes no conclusion, as manificient data have been presented on which to form an intelligent award. The board suggests that a committee from both sides be appointed to make experiments and fix a differential.

MINIMUM DAYS OF LABOR.
The award on this subject provides for a system of fines to be imposed for absence from work, except for sickness, of after notifying and obtaining consent of the mine foreman. An alteration of fining is a suspension from work for a fixed number of days.

Men who do not work twenty days in

ing is a suspension from work for a fixed number of days.

Men who do not work twenty days in any one month when the mine is in operation twenty days or more, shall be fined one dollar, or suspended the first six days in the following month, or he assigned to another working place. The fines imposed shall be collected through the company's officers and he paid to the secretary-treasurer of District No. 20 (Alubama) of the United Mine Workers of America, on or before the tenth day of each month.

It shall be optional with the operator to impose fines or suspend mine workers, or assign new places, in cases provided for above.

mines:
The differential in the rate for mining coal at the Jefferson mine and the Kimberly mine, of the Central Coal Company, shall be reduced two and a half cents per ton, the ardage at the above mines to remain as at present.

AGE LIMIT.

Employment of boys under fourteen years of age.

Employment of boys made by representatives of both sides to this controversy of the question of the age at which boys may be employed, it is hereby awarded that on and after September 1, 1905, no boys under the age of fourteen pears shall be employed or permitted in the mines by any of the mine

When differentials for thin coal are paid they shall not apply to yard prices.

DEMAND ENFORCEMENT OF THE SABBATH LAWS

(By Associated Pross.)
PENSACOLA, FLA., August 22,—The Sunday League to-day sent letters to the sheriff and Mayor demanding a rigid enforcement of the Sabbath observance laws, which had become gradually relaxed since the temporary enforcement a month ago. The Mayor replied that the laws were State statutes, and that he had no anithority for their enforcement. The sheriff refused to do anything in the matter unless those who called for the enforcement of the laws would swear out warrents for the arrest of the offenders. (By Associated Press.)

THE RECORD IN CHEMICAL

Substantial Net Gain During Week.

Slowly and uncertainty and yet steadily the stocks of the Virginia-Carolina Chemical Company have been climbing upward during the week. At the end of the week the quotations on the common stock are but slightly above where they strited Monday morning. The common stock opened Monday at 19:23 and closed at 22:12. On Tuesday the opening and closing was at 23:12 and on Wedneady the stock, after opening half a point lower, closed at the same figure as on Tuesday. On Thursday the opening was at a slight advance, and the close at 23:3-8. On Friday the common stock opened at 21:2, the highest point of the week, and closed at an advance of 3:4-4. Yesterday the market opened with common at 23.7-8 and closed with a small gain at 23, a substantial advance. Peterred stock, which was selling Monday at 50 at the close fracked the highest mark of the week Friday, when it opened at 55 and closed at 9:78. Yesterday's closing was at 93.

Altogother, the week's record gets promise of further advances under disadvantageous market conditions. With another week as good as the one just chosed the common stock will canch 23 or 30 and the preferred \$\vec{x}\$ or \$\vec{x}\$ or \$\vec{x}\$ and directors is beginning to be fett.

SAN JUAN, PORTO RICO, Aug. 22.—
Acting Governor Hartzell has suspended
Dr. Nater, superintendent of the leper
colony, and Jose 'Aldrich, his assistant,
on the strength of a report of Acting Director of Charities Geoneaga, revealing
a horrible and dangerous state of affairs
at the entrance of San Juan harbor. According to this report, chickens and pigs
raised by leners had been freely sold in
the city, and goats, rabbits, poultry and
dogs had been herded in the patients'
quarters, in indescribable filth. Intercourse between the leper colony and the
mainland has been permitted. All the
regulations were violated.

Aldrich has also been arrested on the

criminal charge of transporting chickens from the loper colony and has to fined \$50. The Acting Governor has ordered all animals in the loper colony to be killed to-day, and has declared that he will probe the scandal to the bottom.

IN MEMORIAM.

IN MEMORIAM.

Whereas, our heavenly Father, in His all-wise providence, has seen fit to take unto Himself the soul of our beloved rector, Buckner Magill Randolph, we, the vestry of the Emanuel Church, desire to make some record of the ever growing love and esteem borne toward him by the members of this parish, and our sense of irreparable loss caused by his death.

From his earliest childhood Mr. Randolph showed those traits of manly sweetness that made men his friends and kept them so forever. The same characteristics came out more beautifully when, on the breaking out of war, Mr. Randolph coilisted in the defense of his State, and distinguished himself by valor and judgment in the arduous and dangerous position of captain of a company of sharpshooters, whose duties were always on the firing line. Those who had seen Mr. Randolph only as a tender friend or loving pastor, and a gentle follower of his Master, little knew the enthusiasm that "Captain Bucks" presence aroused in the old veterans, who had known him as their beloved and daring leader.

After the war Mr. Randolph took up

and help or bodily care to those who sorrow to-day over his death owe their lives to his loving watchfulness. His presence was a blessing, and none met him as paster or as friend without seeing in him the consecration of a gentlemanly life and the sweetness and strength of which it was the source. His example was that of the Joyfulness of walking in the perfect law of love, and though his last years were often filled with suffering, he went cheerfully about his duty, as one whose source of happiness was higher than mere bodily bealth. But no one was prepared for the sudden change that brought his death. As his ill health increased Mr. Randolph went to his old home in Fauquier, hoping that the air of his childhood's home might give him sufficient strength to resume his duties. He grew rapidly worse, however, and at the place of his birth he laid down his life, giving His body to that pleasant country's earth, His body to that pleasant country's earth, And his pure soul unto his Captain,

Christ, under Whose banners he had fought so

under Whose banners he had fought so long.

While we deeply mourn, we know that our loss is his eternal gain. "He has fought a good light, he has finished his course, he has kept the faith. From henceforth there is laid up for him a erown of righteousness, which the Lord, the Righteous Judge, will give him."

Now, therefore, be it Resolved, That we, the vestry and constread of Emanuel Church, offer to his bereaved family in their affliction the sympathy of those who sorrow with them, and knowing that this world can offer no solace like the memory of his life in his own home, we pray that God will grant them Ills peace, which passeth all understanding.

Be it resolved, That these resolutions he read from the pulpit of Emanuel Church at the morning service Sunday, August 23d, and that they be spread upon the minutes of the vestry, and that a copy be sent to the family of our beloved pastor.
